Crew Carwash Sales
November 2016

- Carwash coupons (good for 1 regular carwash) are on sale for $8. Student accounts will be credited $3 for every card sold. If the student does not have an active account, all proceeds will go to the general fund.

- All Choir Students will exchange money and carwash coupons during class time. Company managers will collect forms and money at the beginning of class and, after making the exchange with Mrs. Skipper in the music department office, she will then return the coupons for distribution at the end of class.
