Background Check Information Building Parent Volunteers or Chaperones

In order to take steps necessary to ensure safety for all students and staff of the Center Grove Community School Corporation, building parents/volunteers are asked to have a Limited Criminal History background check on file each year. This report will be obtained by one designated person at each building.

It is the responsibility of the parent/volunteer to work with Local Law Enforcement to clear any items listed on a background check. It shall be at the discretion of the building Principal or other designated Administrator to limit the type of volunteering based on information listed on a background check in conjunction with applicable Local and State Laws.

To obtain a Limited Criminal History background check, please complete and return this portion to your child's school office.
