CGCPO Patron Program 101

Description

Families and Businesses are given the opportunity to support the Choral Music Department at CGHS and receive reserved seats for every home choir concert for the year (Please see reverse side for specific dates and times. The only events not included are Encore and Best of the Midwest.)

Benefits

Corporate Patrons receive marketing benefits and reserved seats based on the level chosen. All-Season Choir Pass holders receive reserved seats. Just come to the auditorium 10-15 min prior to the show and the same reserved seats will be waiting for you!

The Center Grove Choir Parent Organization is a non-profit 501 (3)© organization. Your Corporate Patron involvement helps us fund the choirs and provide a fundraising opportunity for students; so be sure to identify which choir student should receive a percentage back of your patron package. Your consideration of our program and generous support is deeply appreciated!

Important Details

Instructions for purchasing Corporate Patron and All-Season Choir Passes will be shared at the Competitive Choir Parent Meeting on August 8th and on the choir website (www.centergrovechoirs.org). All Corporate Patrons must fill out an online form to determine seat selection order for Patron night.

***ALL Platinum, Gold, and Silver Patrons must attend Patron Night **on August 22nd** to preview and reserve their reserved seating. Seat selection priority will be given to patron level (Platinum, Gold, then Silver) and within each level - based on when your online form was submitted.

*** **Corporate Patron or representative must be present at Patron night with payment to reserve seats.** ***

If additional seats are needed (beyond the number included in the Patron level), they will have to be purchased online when General Ticket sales begin at 10 am 2 weeks prior to each show.

Being a Corporate Patron or All-Season Pass holder last season does not guarantee the same seat assignment for the 2018-2019 season. All previous seat assignments are reset at the beginning of each season. Corporate Patron seats will be selected at Patron night, and All Season Pass Holders will select their seats online at time of application beginning August 23rd at 10:00 am.
